

Spatial management of pelagic ecosystems: Visions for the future

March 26-30, 2012

UMR 212 EME
Sète, France

Organizer: David Kaplan (David.Kaplan@ird.fr)
Office Phone: +33 4 99 57 32 27
Home Phone: +33 9 52 42 22 91
Cell Phone: +33 6 51 55 36 93
(from inside France, remove +33 and add 0 prefix)

Workshop at a glance:

| | |
|------------------------------|------------------------------------------------------------------|
| March 26, Morning | Introductions and individual talks |
| March 26, Afternoon | Individual talks |
| March 27, Morning | Final talks and group discussion of workshop goals |
| March 27, Afternoon | Movement, behavior and pelagic MPAs |
| <i>May 27, Dinner</i> | <i>Group dinner at Paris-Mediterranee in central Sète</i> |
| March 28, Morning | Target versus non-target species |
| March 28, Afternoon | Socio-economics and fisher behavior |
| March 29, Morning | Development of synthesis paper |
| March 29, Afternoon | Development of synthesis paper |
| March 30, Morning | Group discussion of future funding opportunities |
| March 30, Afternoon | <i>To be decided</i> |

Group lunches:

Monday, Wednesday, Friday: Table de Jean, Hotel La Conga
Tuesday, Thursday: Restaurant Le San Marcos

Coffee breaks:

~10h30 – Coffee, tea and crumpets
~15h15 – Coffee and tea

26 March 2012: Individual talks

| Time | Presenter | Topic |
|-------------|------------------|-----------------------------------------------------------------------------------|
| 09:00-10:00 | D. Kaplan | Introductions and my perspective |
| 10:00-10:30 | D. Costa | New Insights in Pelagic Migrations: Implications for Ecology and Conservation |
| 10:30-10:45 | | <i>Coffee break</i> |
| 10:45-11:15 | T. Morato | An ecosystem evaluation framework for global seamount conservation and management |

Lunch @ 12h00: Table de Jean, Hotel La Conga

| Time | Presenter | Topic |
|--------------------|--------------------------------|------------------------------------------------------------------------------------------------------------------------|
| 14:00-14:30 | L. Morgan | Seabirds, tuna and MPA interactions in the Pacific Remote Islands National Monument |
| 14:30-15:00 | J-M. Fromentin / S. Bonhommeau | Prospects for North Atlantic Bluefin Tuna management with MPAs |
| 15:00-15:30 | H. Weimerskirch | Ecologically important zones in the high seas: use of top predators (seabirds) as indicators |
| <i>15:30-15:45</i> | | <i>Coffee break</i> |
| 15:45-16:15 | A. Boustany / D. Dunn | Pelagic MPA assessment and bycatch avoidance |
| 16:15-16:45 | P. Lehodey | Simulation and evaluation of spatial conservation measures for bigeye tuna stocks in the Western Central Pacific Ocean |
| 16:45-17:15 | N. Ban | Open ocean systematic conservation planning |

27 March 2012: Final individual talks

| Time | Presenter | Topic |
|-------------|------------------|--------------------------------------------------------------------------------------------------------|
| 09:00-09:30 | D. Gaertner | Fishery effects of a spatio-temporal closure in the Atlantic Ocean tropical purse-seine tuna fisheries |
| 09:30-10:00 | L. Botsford | Conceptual modeling lessons for pelagic MPAs |

Practical info:

Ifremer / IRD Laboratory
av. Jean Monnet, B.P. 171
34203 Sète, France
04 99 57 32 00

L'Orque Bleue
10 Quai Aspirant Herber
34200 Sète, France
